FOOD AND AGRICULTURE SECRETARIAT

Issues instructions in the matter of Buildings or Premises taken on rent by the Government Departments.

ORDER No. A.F. 10197-219—AGRI. 125-51-2, DATED BANGALORE, THE 12TH FEBRUARY 1952.

CIRCULAR MEMORANDUM.

In the case of a building taken on rent by the Agricultural Department, it has come to the notice of Government that though the lease expired on 31st March 1948 a suit was filed by the owner claiming rent for a period of four months after the expiry of the lease. The Department alleged that possession of the building was actually handed over to a relative of the owner on 31st March 1948 itself but they failed to take an acknowledgment from him to that effect. This has resulted in the Government effecting a compromise in the case and paying the rent for four months as demanded by the owner.

2. It is impressed on all Heads of Departments that whenever they take up buildings or any premises on rent and the lease is terminated, the building or the premises should be handed over to the owner or the representative without any delay after the expiry of the lease and proper acknowledgment in writing from the owner or his representative obtained to that effect. The acknowledgment should contain particulars for having received possession of the building, etc., in good condition and for the fittings, attachments, and fixtures, if any, in the building being found in order. The Heads of Departments are requested to impress on the officers concerned that on failure to carry out these instructions, the officer or official concerned will be held personally liable for any subsequent loss to which the Government may be put by way of suit or other means.
